

ON - LINE Homework

Circle the steps needed in each problem, then do the problem.

1. Change to moles

Mole Ratio

Change to unit

2. Change to moles

Mole Ratio

Change to unit

3. Change to moles

Mole Ratio

Change to unit

4. Change to moles

Mole Ratio

Change to unit

5. Change to moles

Mole Ratio

Change to unit

6. Change to moles

Mole Ratio

Change to unit

7. Change to moles

Mole Ratio

Change to unit

8. Change to moles

Mole Ratio

Change to unit

9. Change to moles

Mole Ratio

Change to unit

10	Change to moles	Mole Ratio	Change to unit
----	-----------------	------------	----------------

11	Change to moles	Mole Ratio	Change to unit
----	-----------------	------------	----------------

12	Change to moles	Mole Ratio	Change to unit
----	-----------------	------------	----------------

13	Change to moles	Mole Ratio	Change to unit
----	-----------------	------------	----------------

14	Change to moles	Mole Ratio	Change to unit
----	-----------------	------------	----------------

15	Change to moles	Mole Ratio	Change to unit
----	-----------------	------------	----------------

16	Change to moles	Mole Ratio	Change to unit
----	-----------------	------------	----------------

17	Change to moles	Mole Ratio	Change to unit
----	-----------------	------------	----------------

18	Change to moles	Mole Ratio	Change to unit
----	-----------------	------------	----------------
